

CLARITY – Pre-Qualification Form (Pre-Contractual)

Applicant Details

- 1.1 The applicant shall provide accurate and complete corporate information including legal name, registration number, and registered office.
- 1.2 The applicant shall disclose its ownership and control structure upon request.
- 1.3 Any changes to the applicant's corporate status shall be promptly notified.
- 1.4 Clarity may request supporting documentation to verify identity and authority.
- 1.5 False or misleading information may result in rejection of the application.
- 1.6 The applicant confirms that it has full authority to submit this application.
- 1.7 Contact details shall include a primary commercial contact and a compliance contact.
- 1.8 All information shall be provided in a commonly used business language.

Operational Capabilities

- 2.1 The applicant shall describe its sales channels, including retail locations and e-commerce platforms.
- 2.2 The applicant shall demonstrate logistics capabilities, including warehousing and distribution.
- 2.3 The applicant shall outline customer service processes and after-sales support.
- 2.4 Evidence of experience in optical or adjacent sectors is recommended.
- 2.5 The applicant shall confirm availability of trained personnel where required.
- 2.6 The applicant shall maintain appropriate IT systems for order processing.
- 2.7 Service levels shall meet reasonable industry standards.
- 2.8 Clarity may conduct site visits or audits.

Financial Standing

- 3.1 The applicant may be required to provide recent financial statements.
- 3.2 Clarity may perform credit checks or request references from financial institutions.
- 3.3 Credit limits, if granted, shall be determined at Clarity's discretion.
- 3.4 Security, deposits, or guarantees may be required.
- 3.5 Failure to meet financial criteria may lead to rejection or additional conditions.
- 3.6 All financial information shall be treated as confidential.
- 3.7 Currency exposures shall be borne by the applicant unless otherwise agreed.
- 3.8 Payment history with other suppliers may be considered.

Compliance and Declarations

- 4.1 The applicant confirms compliance with applicable laws, including consumer protection and product safety.
- 4.2 The applicant shall adhere to anti-corruption and sanctions regulations.
- 4.3 The applicant shall not engage in counterfeit or grey market activities.
- 4.4 The applicant shall implement procedures to handle product recalls if required.
- 4.5 The applicant shall cooperate with regulatory authorities as necessary.
- 4.6 Any past or pending legal proceedings relevant to the business shall be disclosed.
- 4.7 The applicant consents to data processing for evaluation purposes.
- 4.8 Submission of the form does not guarantee approval.
